## Bali Sumbawa Sailing Surfari

7 days, 6 nights

Yo Yo's, West Sumbawa

Sail from Bali to Nusa Lembongan, Desert Point, Scar Reef, Supersuck and YoYo's plus secret spots in between where the swell, winds and tides come to together for some of the best surf in Indonesia.

Kick back on Moggy, a 46ft high-powered sailing catamaran, fast and stable and let us put you in the water with the best waves, the least number of people so you can do your best. Our fast dinghy ensures you will get in the best position for the deepest movies and still shots.

Plenty of room for 8 people plus all boards and equipment. Great food on board including choice meats and seafood, crisp salads, vegetables and plenty of Bintang and more after a big day in the water!
